

**Meeting on
Saturday May 6, 2017 1:00-3:00 PM**

Tribute to Mothers

*With **Mother's Day** approaching, have you taken the time to consider who are these women that raised children affected by polio? Our Moms (grandmothers, aunties, big sisters, surrogates) hold a special place in our hearts.*

REMEMBERING MOTHER: OUR STORIES AS POLIO SURVIVORS

Bring pictures of your mom and you, as well as keepsakes.

From the Shepherd Parking
Deck.

Proceed across the walkway into
the Marcus Woodruff building on
1st floor.

Just after the Pain Center
waiting area on the right there is
a bank of elevators on the right
before security.

Take these elevators to the 6th
floor.

Classroom “C” is directly behind
the elevators.

Consider arriving early and treating yourself to lunch in the Shepherd Cafeteria @ 11:30 AM. Ground Floor, down 1 floor from security desk. The food is good and the prices are reasonable. “The meeting before the meeting!”
